A Tradition of Quality

Since the of founding Timeplanner Calendars in 1971 and JournalBooks in the 1990's, our company has consistently exceeded customer expectations with our award-winning customer service and quality craftsmanship. Our products are made to order from premium materials and tailored to meet your custom needs. Our team is constantly striving to bring more value to our clients without ever sacrificing quality. Thank you for choosing JournalBooks.

Tell Your Message.

JournalBooks has everything you need to create an unforgettable promotion. With customizations like full-color printing, custom die-cut windows, and BoostOptions such as pens, and packaging, we'll help you tell your company's story and share your message.

24-hour Sureship Service
Available for ValueLine and CaseBound orders meeting catalog minimums and up to end-column quantities. Each order will incur a \$50 G surcharge. Orders and artwork must be received at sureship@journalbooks.com by 1pm EST for product to ship next business day (no proofs).

CaseBound Pricing
Due to the current tariffs on imported items, pricing on our imported CaseBound journals is subject to change throughout the year. JournalBooks reserves the right to change pricing or discontinue products or color selections without prior notice. For the most up-to-date selections and pricing, please visit www.journalbooks.com or contact us at sales@journalbooks.com. We apologize for any inconvenience this may cause.

The artwork, designs and trademarks displayed on the products within this catalog are representative of the capabilities and quality of imprinted products available. They are not intended to represent endorsement by their owners, nor are they for sale by the factory. No part of this publication may be reproduced without specific written permission from the publisher.
© JournalBooks® 2022

We know how **important** a **company's story** is.

It's who they are, where they've been.

Creative Solutions

We believe that imagination is the key to creating useful products that leave a lasting impression. JournalBooks is dedicated to finding creative ways to meet specific needs, from multiple imprint methods to flexible custom options. A promotional product should be as distinct as the company it represents. Let us help you bring your corporate identity to life.

Responsible Production

We care about the environment and support our customers seeking earth-friendly products. JournalBooks is an FSC® certified factory, proving our investment in responsible forest management through the Forest Stewardship Council®. Visit www.fsc.org for more information.

Our custom journals and planners are the ultimate tool for delving into your company's story. JournalBooks makes the majority of our products to order. When discussing a project, we've found the information covered below is a solid starting point to get to the product that best suits your needs and brand.

1

Quantity | How many do you need?

Our products and some print methods have minimum quantities, and we want to make sure you choose a product that is available for your quantity. Some products are available at half minimums, but additional charges may apply.

2

Budget | How much will it cost?

The budget per book is the quickest way for us to eliminate books not suited for your project. If you don't have a budget, we can suggest items in various price ranges to get you started. This is especially helpful for large quantity orders.

3

Color | What colors should we choose?

With our wide range of color options, brand guidelines help us to suggest products and textures that stay within your color palette or even theme. We offer a plethora of digitally printed products, decoration methods and accessories.

4

How | How will they be used?

Knowing how the journal or planner will be used will help us narrow down selections for the best functionality for your promotion. Knowing the quantity, budget, and color helps us direct you towards the product that will work best.

5

Style | What will they look like?

If you've seen books you love, share them with our Sales Team and we can help find a similar style or product. We also have a talented Creative Sales Team that can suggest ideas or create virtual products to give you guidance.

6

Date | When do you need them?

If orders are large quantities (1000+) contact us to check inventory. Imports and popular materials can move fast. We can tell you when items will arrive, or help you look at other options and provide a solution.

When The **Message** Matters

Economically-priced products, includes FullColor & PaperBoard Covers & Journals, WireBound & PerfectBound styles.

- DateBlock Imprint**
Custom individual DateBlock imprints in black ink.

Director with DateBlocks, Masthead, & Pictorial

Item (G)	250	500	1000	2500
ShadowPrint	1.31	0.82	0.55	0.38
MemoSpace	1.31	0.82	0.55	0.38
Masthead	1.31	0.82	0.55	0.38
CornerBlock	1.31	0.82	0.55	0.38

250 piece minimum for any of the above custom overprinting. Add above cost to product price. CornerBlock imprint is available for President format only. Overprinting is not available on Weekly Planners.

Custom Overprinting

Our custom overprinting is an easy and inexpensive way to buy prime advertising space. We'll print your logo or promotional message on each page of every calendar you order – for quantities as low as 250. It's the most cost-effective way to communicate your brand 365 days a year. Five different overprint options are available for the President, Analyst, and Director (not available for WeeklyOrganizer or XeoPlanner styles).

President with ShadowPrint & MemoSpace

- ShadowPrint**
Identical image printed on bottom of each month.
- MemoSpace Imprint**
Identical image printed on blank notes of each month.

President with CornerBlock & Pictorial

ShadowPrinting

Your message, logo, or illustration is printed in light gray (10% black) on the lower page of each President spread or the left page of each Analyst- or Director-style calendar spread (identical image on each page).

MemoSpace & Masthead Imprint

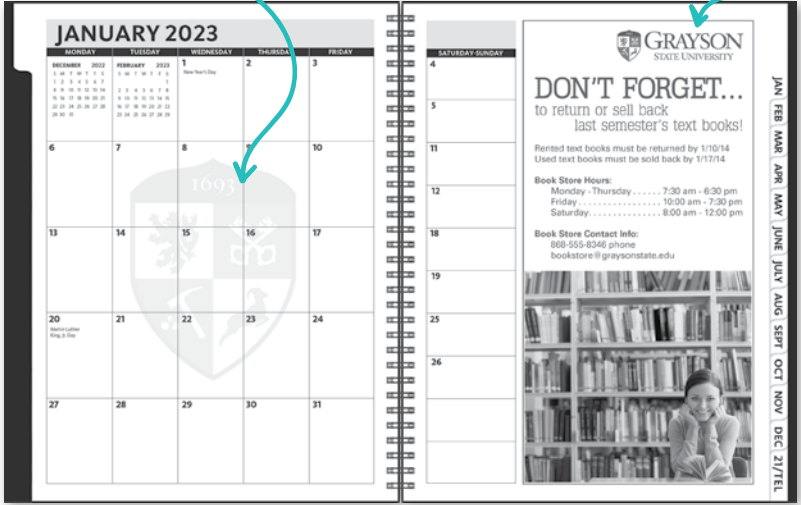

Your identical copy is printed in black in the masthead or common note space of each spread.

Analyst with MemoSpace & DateBlocks

- DateBlock Imprint**
Custom individual DateBlocks in black ink.
- MemoSpace Imprint**
Identical image printed on blank section of each month.

- ShadowPrint**
Identical image printed on left side of each month.

- Pictorial Imprint**
Individual grayscale image on right side of each month.

Director with ShadowPrint & Pictorial

CornerBlock Imprint

President format only. Identical imprint in black in the open date blocks at upper left or lower right of each monthly calendar.

DateBlock Imprints

Your message and reminders are printed in black ink in the individual date blocks you specify. 500 pieces minimum. Call factory for details.

Pictorial Editions

Any President or Director can be customized as a pictorial calendar to depict your company's products, services, personnel, etc. Each monthly calendar faces your custom page printed in black ink. Includes 13 custom picture pages. 300 dpi grayscale photos should be supplied for best quality. Any text must be provided in digital format. Laser proofs will be provided if requested. Other charges may apply, call factory for details.

- Pictorial Imprint**
Individual grayscale image on top of each month.

President with CornerBlock & Pictorial

- CornerBlock Imprint**
Identical image printed on blank corner of each month.

Item (G)	Setup	500	1000	2500
Pictorial	500.00	0.55	0.55	0.55
DateBlocks	500.00	0.38	0.38	0.38
Typesetting DateBlocks		\$2.50 per block		

500 piece minimum for any of the above custom overprinting. Add above cost to product price. Overprinting is not available on Weekly Planners.

It's amazing the difference multiple colors can make. Our craftsmen can produce hairline registration with multiple foil colors on most of our paperboards to give your cover dazzling impact.

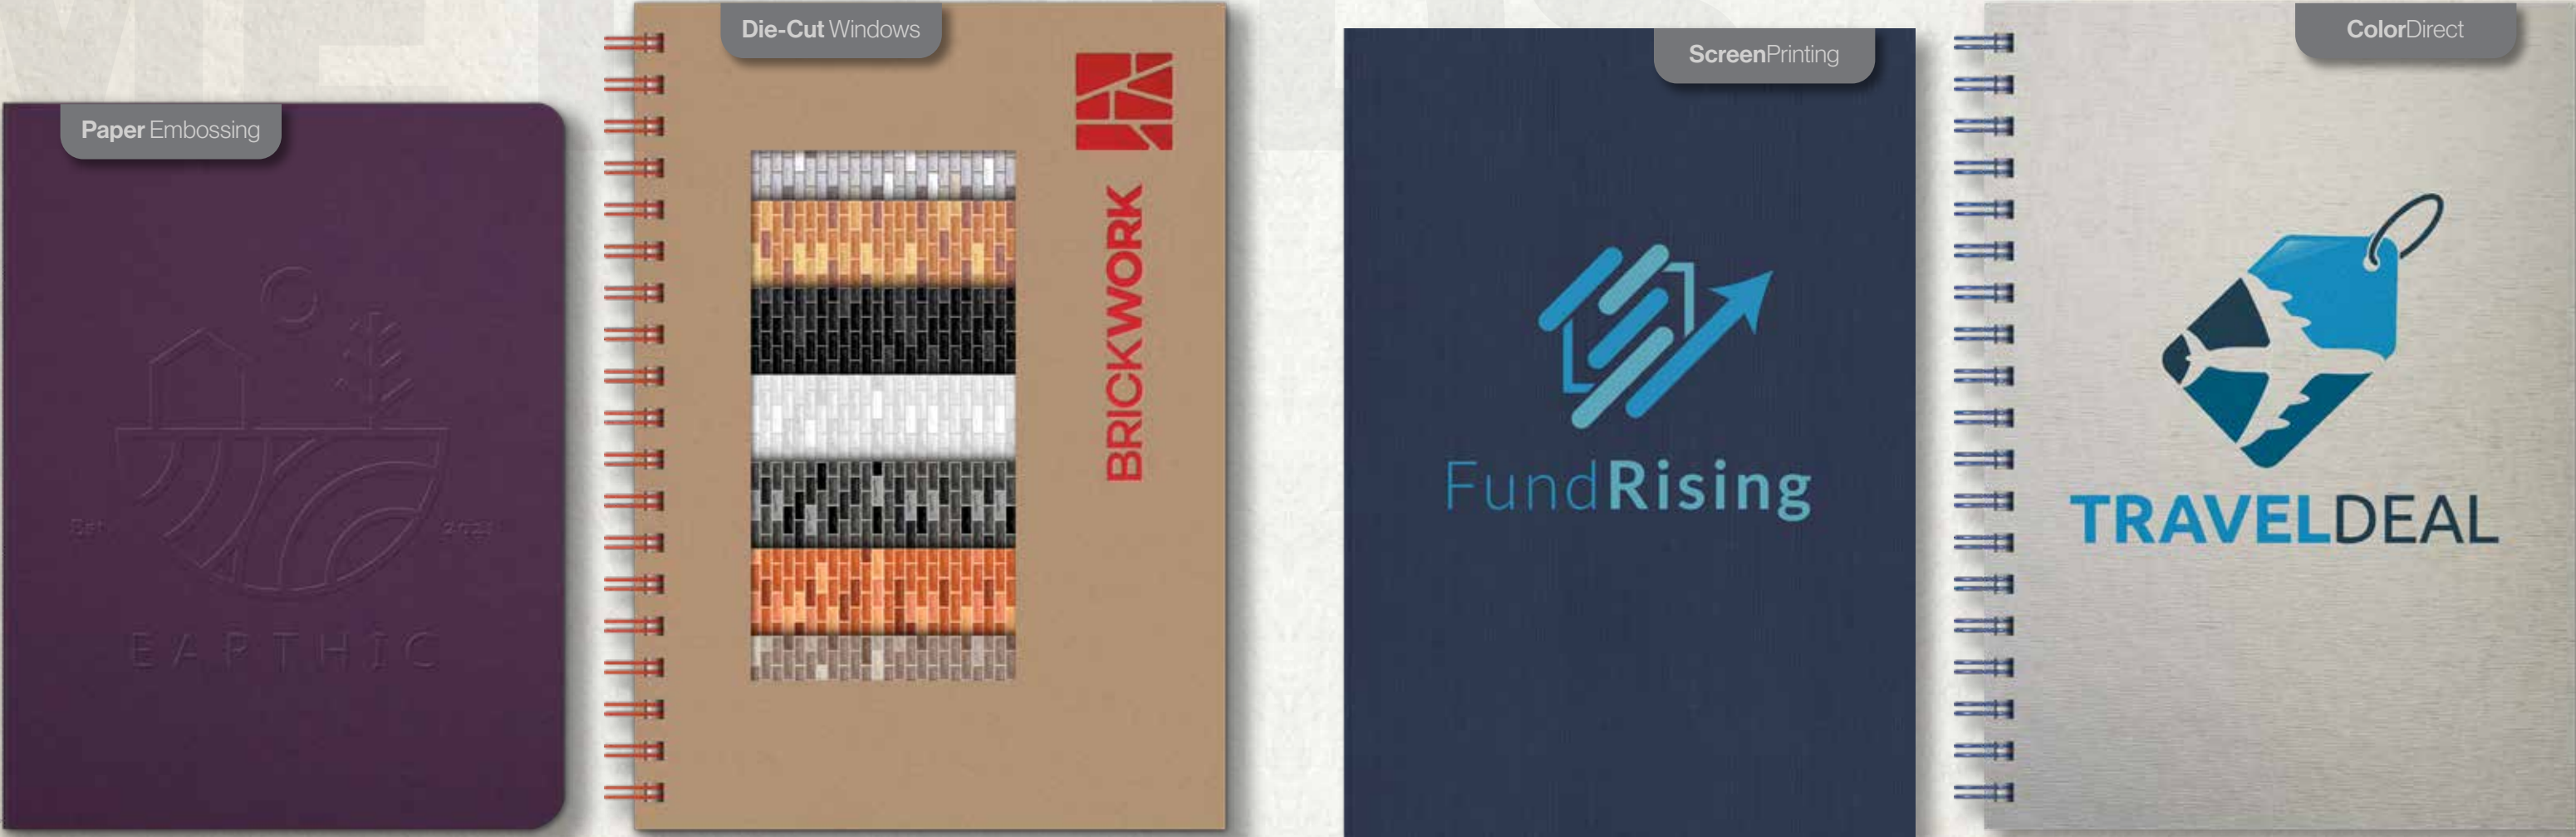

When you want more dramatic impact, or have imagery you want on your cover, full-color printing is the way to go. Also, offering gloss, matte, or softtouch coatings to give your customer a more tactile product feel.

BoostOptions are all about turning a great book into something dazzling. Put the spotlight on your brand. These powerful tools were designed to help tell the depth and breadth of your company story. Unique inserts with your company's story or product information, custom filler with your name on every page, imprinted pens, business card holders, pocket folders, and a myriad of decoration methods—all ideal ways to strengthen the impact and power of your journal.

Embossing your aluminum cover adds an impressive 3D look and feel to your product. Available on Alloy journals and planners, as well as UrbanJournals and UrbanBinders. (Some small/fine details may not emboss, send artwork to factory for approval.)

This technique debosses the material without applying foil. Many of our cover materials have different textures, densities, and thicknesses that can respond differently to blind debossing.

Paper embossing is available for some ClassicFlex and CuriousSkin paper covers, as well as paper products like inserts and pockets. Some small/fine details may not emboss.

A die-cut window on the front cover of your journal with a color insert showing through can offer a unique view of your company. Standard shapes include square, rectangle, oval, and circle. Or if you prefer a custom shape, call factory for a quote.

If your cover imprints require specific PMS colors or feature intricate designs, consider screen printing, available on most of our smooth cover options. Substrate colors will affect screen printed colors. For the closest PMS match, choose white cover material.

Print your full-color logo or artwork directly on the cover material of your choice. Smooth Shimmers and ColorFleck, heavy-duty Alloy, even textured sports materials can be printed with this full-color method. Available on wirebound, perfectbound and casebound books.

Setups are charged per color/position, up to 16"sq. or less; call for oversize prices. Embossing available on Alloy covers, ClassicFlex & CuriousSkin covers, and some inserts and pockets. Contact factory for full details. Screen printing available on smooth substrates only. Call factory for quote and art approval for custom shape/size domes and die-cut windows. *Standard pricing includes imprints up to 20" sq. or less.

DIGITAL PRINTING

BoostOptions

Color Inserts

Tell your company story by adding inserts to your wirebound or perfectbound journal or planner. Digitally printed full-color inserts. For multiple inserts, call for a custom quote.

CaseBound Tip-Ins

To add 1 tip-in page to the front of a casebound book, add \$0.40 G to the price below for cost of insertion. For pricing on adding 2 or 4 tip-ins, please contact sales.

Important Production Notes About Digital Printing:

Benefits

State-of-the-art digital, full-color printing allows lower costs and faster turnarounds than conventional printing. Cost-efficient for quantities as low as 100 pieces or as high as 5000 pieces.

Bleeds & Solids

Full bleeds and large solid areas may be difficult to reproduce, depending on the color selected. Please call factory if you have concerns and we will be happy to review your art and make suggestions. Bleeds may incur an additional charge.

PMS Color Matching

Printing on the full-color press utilizes CMYK. We can achieve acceptable simulated PMS results on most colors. If your color falls out of range we will alert you as soon as we can to discuss alternatives. Conventional printing may work but will require additional time and expense. Exact PMS color matching happens only when you are screenprinting with a specified PMS color.

GraphicWraps

Take advantage of more printing real estate with a full-color GraphicWrap. They can be wrapped vertically or horizontally around your journal. Available for 7 x 10 products or smaller without extended PenPort or EcoPort

Pricing (G)	Setup (G)	100	250	500	1000	2500

VariableDataPrinting

Digital color printing allows for a different name or info to be printed on each cover, insert, or any other full-color add-on (excludes ValueLine and Color Direct products). Information for variable data must be supplied to factory in excel file.

Standard Fillers

All standard filler is made from opaque white paper. All options available for WireBound or PerfectBound products (some size restrictions apply); Only ruled filler available on CaseBound products. (Shown with black ink for better viewing, actual ink is printed in a percentage of black.)

Blank Filler
Blank filler is available for all sizes.

Ruled Filler
5/16" gray lines. Available for all Build A Book sizes except 4 x 4 and 3.75 x 5.

Graph Filler
Filler with 1/4" gray, grid lines. Available for all sizes.

DotGrid Filler
Filler with 1/8" gray, dot grid. Available for all sizes.

Multifunctional Filler
Filler printed with subject, date, ruled, & blank section. Available for 5 x 7, 5.5 x 8.5, 7 x 10, and 8.5 x 11.

New!
NoteTaking Filler
Filler printed with keywords, notes & summary section on front page. Back is graph filler. Available for 7 x 10 only.

Non-Dated Filler

We have five pre-designed non-dated filler options, perfect for sporadic planning. Write in your own dates and schedule at your own pace. The weekly format lets you plan each week at a glance, and all four versions include a convenient note section on each spread. See sizes below.

NDTW | Non-Dated Task Weekly
7 x 10 non-dated planner/notes on front, lined daily sections on back.

NDWF | Non-Dated Weekly
NDSWF | Student Weekly
7 x 10 non-dated week across two pages with to-do-list section and miniature months at bottom.
NDWF: Standard January-December
NDSWF: Academic July-June

NDAF | Non-Dated Appointment Book
8.5 x 11 non-dated week across two pages with 1/2 hour increments for appointment-making and miniature months at bottom

5 x 7 Non-Dated Weekly
Non-dated week across two pages. Available for no charge on 5 x 7 products only.

New!

Productivity Planner
Non-dated week across two pages. Notes & To-do with mood tracker and free thinking space. Available for 7 x 10 or 8.5 x 11.

Wire Binding

Add a little pizzazz to your book with colorful wire bindings. In addition to our stock Black, White, Bronze, and Pewter wires, we also have colors: Blue, Orange, and Red. Call for current size/color availability. Custom colors may be available. Not available for SureShip or ValueLine products.

12-Month Calendar

Add a 12-Month Calendar to the front of your journal for instant planning. Each month is displayed across an open 2-page spread. The last page is a planning page for the year.

Available for 4 x 6 (SM), 5 x 7 (SM), 5.5 x 8.5 (SM), 7 x 7 (LG), 7 x 10 (LG), and 8.5 x 11 (LG) journals

Pricing (G)	100	250	500	1000	2500
MC-SM - Small 12-Month Calendar	2.63	1.61	1.52	1.33	1.18
MC-LG - Large 12-Month Calendar	3.53	3.22	3.03	2.66	2.35

1Color CustomFiller

We can produce your custom filler in either black ink or your custom PMS* color, printed on both sides.

Example shows black ink on back of page & PMS on front of page. They can not be combined.

MultiColor CustomFiller

Multi-Color fillers can be printed with either two colors on one side (with the back side blank, no lines) or with one color on both sides (lines and imprint on front of sheet in one color, lines and imprint on back of sheet in one different color).

PerforatedFiller

Perforated filler is available for any 5 x 7 or larger wire- or perfect-bound book. Perforated line will run parallel to binding edge. Available for 250 pieces or more.

Perforated Pages (G)	Setup (G)	250	500	1000	2500
SQ-4/JP-5	200.00	2.60	1.40	1.28	1.23
MR-3/JP-6/SQ-5	200.00	1.87	0.93	0.82	0.76
NP-7/RP-4/SP-8/SQ-7/NB-1/NB-11	200.00	1.87	0.83	0.82	FREE

No setup for quantities of 2000 or more for books 5 x 7 or larger. No setup on 3000 pcs, or more on MR-3, JP-6 or SQ-5 sizes

*PMS colors are an upgrade. Call factory for quote.

FullBleed CustomFiller

For imprints that will bleed off the edges, please call factory for quote.

Phantom CustomFiller

For a subtle effect, we will print your logo anywhere on the page with a 5-10% screen on the page to create a "phantom" or "ghost" effect.

Unless otherwise specified, the factory will adjust the darkness of the "phantom" according to the thickness and detail of artwork. Small text and intricate details are typically done darker than larger, thicker artwork. We can also do a solid imprinted logo or message anywhere on the page. Sorry, no large bold type or heavily saturated, solid coverage.

Digitally printed in black ink only; Small=5.5 x 8.5 or smaller; Large=7 x 7 or larger

Uncommon Filler

Add unique quotes, images, and info throughout your journal by printing different content on each filler page. Digitally printed in black ink only and priced according to the number of sheets per book.

Uncommon filler cannot be printed with large solid areas and cannot bleed off the page. Call factory with questions.

Example shown with Bleed. Artwork with Bleed is an upcharge. Call factory for quote.

A. PenPort®

Available on wire-bound products, the PenPort is a special contoured black back cover with an elastic pen loop and a vertical elastic privacy closure that can be used as a pagemaker. Your pen is neatly tucked beside your paper, ready at a moment's notice! Available for 4 x 6, 5 x 7, 5.5 x 8.5, 7 x 7, 7 x 10, and 8.5 x 11 sizes

B. PenTab

Available for any product, the PenTab is a textured material with an adhesive back and elastic pen loop that can be placed almost anywhere on your journal. Your pen is neatly tucked beside your paper, ready at a moment's notice! Available in White, Navy, Gray, and Black.

C. PenDock

The PenDock is a sturdy vinyl insert bound into the back of your book between the filler and back cover. A black elastic pen loop extends to the right to hold your pen, allowing you to have a penholder and still have a custom back cover. PenDocks are available for wire-bound items, PerfectBooks, Wraps, and Binders. Available for 3 x 5, 5 x 7, 5.5 x 8.5, 7 x 10, and 8.5 x 11 sizes.

Folders & Pockets

WavePocketFolders

These black or white paper Wave Pockets are a stylish way to keep loose pieces secure in your journal or planner. Available with or without business card slits on the front of the pocket.

Available for 5 x 7, 5.5 x 8.5, and 7 x 10 products

BusinessCardSleeves

Attach a single vinyl business card pocket to the inside cover of your journal. Or have a 3-up (5 x 7), 4-up (5.5 x 8.5) or 10-up (8.5 x 11)BC sleeve bound into any same size journal or larger for the same price.

Available for WireBound products; Price includes application

HalfMoonPocket

Convenient and classy, the Half Moon Pocket has a tab that can be upgraded with a custom imprint. Available in black or white.

Available for 7 x 10 products.

Vinyl & Vinyl Zipper Pockets

Vinyl Pockets are screen printable and made from a heavy 8-gauge vinyl. Vinyl Zipper Pockets are only available in 5 x 7 and are made from heavy 10-gauge vinyl.

Vinyl pockets are available for 5 x 7, 5.5 x 8.5, 7 x 10, and 8.5 x 11 (same size as filler). Vinyl Zipper Pockets are available for 5 x 7 products only.

PaperPocketFolder

Double-sided paper pocket folders available in black or white.

Available for 5 x 7, 5.5 x 8.5, 7 x 10 and 8.5 x 11 products (item is same size as filler and holds smaller sized sheets); To hold 8.5 x 11 pages, an oversize cover and pocket are necessary, incurring additional charges (500 pcs. minimum order for custom)

FlagMarkers

This option includes 20 each of five different colored flags that attach to the inside cover of your journal.

Available for all products; Price includes application

Custom Packaging

CinchBags
Cinch bags are ideal for keeping journals, pens, and other necessities together, as well as being beautiful packaging options. Available in Natural and Heathered Gray with matching pull cord. 1-color metallic foil or gloss screen on cinch bag is available.
Available for most 5.5 x 8.5 books and smaller. Call for details.

EcoBags
Our recycled paper bags offer an alternative to shrink wrapping and poly bags. Perfect for an eco-friendly look. Blank or 1-color printing available.
Available for 7 x 10 & most 5.5 x 8.5 books and smaller. Call for details. Price includes book insertion.

CorrugatedMailers
Corrugated mailers are ideal for books needing to ship individually. Price includes insertion of your book and packing in bulk cartons. They can also be ordered flat for you to insert and seal yourself.
Available for 5 x 7, 7 x 10, & 8.5 x 11 sizes

FullColorMailers
Full-color mailers provide an additional canvas for your logo or artwork and are a memorable accessory for your custom journal.
Available for most 5.5 x 8.5 books and smaller. Call for details. Price includes book insertion.

GlassineEnvelopes
These sleek glassine envelopes are ideal for giving your books that finishing touch (not meant for use as an individual mailer).
Available for most products; Some sizes may be specially ordered, call for more details.

TucGiftBoxes
White Tuc Boxes add a special touch and keep your books looking new during distribution (not meant for use as an individual mailer).
Available for 5 x 7, 7 x 10, & 8.5 x 11 products; Price includes inserting your book into the Tuc Box

ShrinkWrapping
A great way to protect your books during distribution while allowing your book's cover to be seen.
Pen Insertion
We can insert your supplied pens or pencils into your book's wire and shrink wrap them together for a complete look package.

2-PieceGift Boxes
2-Piece Gift Boxes fit most sizes; include a white bottom and black lid and are available with or without tissue paper.
(not meant for use as an individual mailer).
Available Sizes:
Wire-Bound Journals: 5 x 7, 7 x 10, 5.5 x 8.5 & 8.5 x 11 (50 sheets of filler or less on 8.5 x 11 size)
LeatherWraps: 5 x 7, 5.5 x 8.5, & 7 x 8.75 & larger

General Info, Terms & Conditions

IMPRINTING INFORMATION

Imprints

Hot stamping is our standard method for imprinting. Some foil colors are similar to some Pantone Matching System® (PMS) colors; however, for critical color matching we suggest screen printing. This will add time to production. (Remember that most of our materials are dark in color, and an exact PMS match is not possible, especially with the lighter foils.)

Imprint Setup Charge

\$60.00 G setup for foil stamping or debossing is a 1-time prep and die charge for each imprint up to 16” sq. Exact repeat orders will incur a \$25 G setup. For larger imprint areas, add \$1.52 G per square inch over 16” sq.

2nd Position Foil Imprints & Additional Colors

For 2 or more foil colors or positions, add \$60.00 G setup per color/position (up to 16” sq.) plus \$.40 G run charge per additional color.

Imprint Colors

With the exception of full-color products and some ValueLine products, book pricing includes a 1-color foil imprint in any of our 40 standard colors (request to see the JournalBooks Foil Swatches for most accurate color). Foils are not generally PMS matchable; however, we will attempt to select a foil that comes close to your requested color(s). We will send you random imprints of the foil(s) on your cover choice for you to approve. Please allow 5-7 days added production time for us to send you the foil samples and then, upon approval, to get selected foil from manufacturer prior to production.

About Foils

Metallic foils, which include gloss black, are 100% opaque. Pigmented foils may change in opacity depending on the lightness or darkness of the cover material chosen (our standard pigment foils are very opaque). Request a set of our JournalBooks Foil Swatches that illustrates our 40 stock foil colors that have been proven to stamp well on our cover materials.

About Imprint Design

Small type, reverse-outs, and fine close lines tend to fill in. Hairline registration is available. Oversized imprint designs with bleeds are also available.

Screens and halftones are not available with foil but are available with screen printing and full-color options (see below and page 145 for additional screen printing and full-color charges and production time).

Screen Printing

Screen printing can be done on Alloy, Poly, Leather, and many of our smooth Paperboard materials. (Art cannot be screen printed on some 100% recycled chipboards or textured stocks.) Screen printing is ideal for any product that needs PMS matching or fine detail. Please be advised that your color will be affected by the material that it is being printed on. PMS matching is based on printing on a bright white surface, like our Solid White Chip in Cover Series 1. Any other surface will change the expected results. Depending on order quantity and number of colors, screen printing your cover may increase the production time needed in the factory. Contact factory for printing suggestions about your specific artwork.

Copy Changes

Add \$82.50 G charge per copy change. Imprint up to 16” sq. is included. 100 book minimum per copy change.

ARTWORK

Customer-Supplied Digital Art

Vector art is recommended for best results. We accept files sent via e-mail, digital file transfer services, or sent in on a flash drive. The factory is Mac-based but can work with most PC files in Adobe CC Illustrator, InDesign, Photoshop, and Acrobat PDF formats. A printout of the file must be included for reference.

Vector Files

Vector files are preferred for screen printing or foil stamping covers. When using a vector-based program (Illustrator or InDesign), all fonts must be outlined and all links embedded at 300 dpi or more.

Raster Files

If vector files are not available, some raster files are acceptable. For any cover imprint, a black-and-white bitmap file saved in TIFF format must be supplied (at least 600 dpi). For full-color inserts, art must be high-resolution (at least 300 dpi)

CMYK file saved in EPS, TIFF, or PDF format. Any raster file must be 100% of final imprint size plus bleeds, if applicable.

Artwork Services & Typesetting

If required, artwork services and typesetting will be billed at the rate of \$75 G per hour, with a minimum charge of \$37.50 G. A proof is required on any art that the factory has created or positioned. Order Acknowledgment will include estimate of art costs. Please allow extra production time when art services are required. Factory reserves the right to select type styles and arrange imprint layout unless camera-ready art is submitted with order. If print-ready art is not provided, distributor should submit a layout to show approximate type sizes, emphasis, and format desired by customer. All copy should be typewritten and e-mailed to art@journalbooks.com in one of the above listed formats or in rich text format.

E-Mailing Art Files

Most files under 10MB can be sent via e-mail. For faster transfer and protection from file corruption, put all required files into a folder and zip or compress the entire folder. Please send art to: art@journalbooks.com

For files larger than 10MB, upload pdf or zipped/compressed folder to our website, or send files via a file transfer website. For more information on uploading files, go to www.journalbooks.com and click on My Account. Call factory for assistance with any of your graphic needs. Factory is not responsible for problematic files. The order will not be processed until acceptable files are in place.

Factory will contact you as soon as any problems are detected and will do everything possible to resolve issues. This resolution may require additional production time. Changes made to supplied art files are billed at \$75 G per hour, with a minimum charge of \$37.50 G.

PROOFS

Your order will not go to order entry or art dept. until all necessary information, including usable art, has been received. Proofs are required for new orders and will be e-mailed to customer unless otherwise stated (must include a current e-mail address on order). Proof approval is

required within 24 hours of receipt in order to maintain ship date. Any delay or changes will result in rescheduling of the job, especially on tight schedules. Most products require 7-10 working days to complete production from approval of proof.

Customer Changes

Any changes to artwork after initial proofing will require a new proof and will incur a charge of \$15 G per proof. Extra proofs required for factory error are provided at no charge.

Preproduction Proofs

When required, actual preproduction proofs will add 5 business days to your production schedule, plus shipping time. You can expect your actual proof 7-10 days from acceptance of order, with timely approval of e-proof. The charge for an actual sample is \$52.50 G for standard 1-color foil or blind deboss imprint and \$137.50 G for screen printing (call for quote on multi-color imprints or custom journals) plus any freight charges. Setups for dies and screens are additional. Upon actual approval, a minimum of 5-7 days will be required for production. Customer delay may affect ship date.

Proofs of Overprinting

For identical copy (shadowprint, masthead, memospace, etc.), factory provides a single, black & white, laser-printed proof showing layout.

DIGITAL COLOR INSERTS

Bleeds & Solids

Large solid areas of color and gradients may be difficult to reproduce, depending on color and stock choice. Call factory if you have concerns and we will be happy to review art and make recommendations.

Color Matching

Factory will attempt to match color as close as possible. Please provide a print to the factory. We cannot guarantee matches from desktop laser or inkjet prints; however, we will come as close as possible. PMS matching is not guaranteed (see below).

PMS Matching

Our full-color press is digital and simulates 4-color processing. Some PMS colors can be matched closely. If your requested color falls out of the industry-standard color gamut, we will alert you immediately.

Conventional printing may work, but it will require additional time and expense. Please call factory to discuss options and pricing for your project.

Full-Color Proofing

A proof can be provided, time permitting. The print itself will be free, shipping fees will apply. In some “Rush” cases, a proof may not be possible if production deadline is to be met.

Customer-Supplied Inserts

For inserting supplied inserts, a setup charge of \$55 G setup plus \$.28 G per set of five or less inserts will be added. Allow 5 production days from factory receipt of inserts for completion of your order. Call factory for a quote on multiple inserts and size/delivery requirements.

MISCELLANEOUS

Co-op Orders

Call or email factory for special co-op discounts/requirements.

Less-Than-Minimum Orders

NEW: Some products can be ordered at 1/2 1st-column quantities. Call for details.

Unimprinted Items

Any product may be ordered without an imprint. Next higher quantity price applies (for example, 100 blank items are priced at the 250 price).

Packaging

Special Packaging options and pricing. Call factory for more ideas and full details and pricing.

Personalizations

Foil personalizations are available for a charge of \$55 G setup plus \$1.72 G per name for foil personalizations. Multiple fonts and type sizes are available, contact factory or check online for a list of standard fonts to choose from. If font or size is not specified on PO, factory will imprint personalizations in Arial font, 14 pt. type size, and positioned in lower right-hand of front covers. Names must be supplied in an Excel file with a printed hard copy included (must be typed out exactly as desired, including all uppercase or title case). Faxed lists are not acceptable. When individual packaging is ordered, books are not

inserted, and envelopes or mailers are shipped bulk. Minimum quantity is 50 names. Personalizations are available in stock Black, Gold or Silver foil. Other colors may be available. Call factory to check.

SHIPPING INFORMATION

Freight Charges

Charges are FOB from our factory in Charlotte, North Carolina. Shipments are made by the best available method and carrier by the factory’s discretion unless shipping method and/or carrier are specified on order. Freight charges are prepaid and added to invoice. Once a shipment is delivered to the carrier, the factory is not responsible for transit delays or damage. Any such claims must be filed with the carrier. A handling charge will be added to all freight charges prepaid by factory. This charge is in proportion to the costs involved and charges incurred by the factory to make the shipment. Changes to shipping information must be received by the factory no later than 12pm EST on the day the order is to ship. It is the customer’s responsibility to confirm receipt of change(s) with customer service. Information arriving after noon may cause the shipment to be delayed. NEW: 3rd-party shipping will incur a \$8 G fee. International and drop shipments will require additional time and cost (see below).

Drops and Special Handling Fees

NEW: If non-standard boxes are required, a fee of \$8 G per carton will be incurred. Factory can apply customer-supplied labels to cartons for \$0.25 net per label. NEW: 3rd-party shipping will incur a fee of \$8 G. For drop shipments, add \$8.80 G per location. Multiple drop shipments may require additional production time for fulfillment and must be provided several days prior to ship date. Please communicate requirements with factory for scheduling and pricing approval. (Multiple locations should be typed and provided via email.)

International Shipments

International shipments are \$11 G in addition to drop ship charges (above). Pre-typed documentation is required by customer (must provide

freight account #, commercial invoice for each international drop). NEW: 3rd-party shipments will incur an \$8 G fee. Factory can only act as agent to release merchandise. Factory takes no responsibility for freight or duty costs. All paperwork must be completed by customer and submitted 3 business days prior to release date.

Individual Product Shipments

We ship 1st or 3rd class: \$.55 each G plus postage. If FedEx or UPS shipment is specified, the charge is \$.66 each G plus FedEx or UPS charges. Prices are based on factory receiving supplied drop-on disk with zip codes (in zip code order if 3rd-class bulk mailing is specified). For bulk rate/individual mailings via USPS, estimated postage must be paid to factory prior to shipment release. NEW: If non-standard boxes are required, a fee of \$8 G per carton will be incurred.

Trademark/Copyright Notice

All graphics, designs, photographs and text (collectively and individually, “Copy”) submitted by the customer for use in producing items ordered are accepted only on the condition that they are submitted in full compliance with all applicable laws regarding licensing, trademarks, copyrights, service marks, patents, publicity, and privacy. By submitting Copy, customer warrants that use thereof by the factory will not violate any laws. The factory hereby disclaims any liability for compliance with such laws in its use of Copy. Customer hereby agrees to hold JournalBooks / Timeplanner Calendars, Inc., harmless from any damages, liabilities, judgments expense or costs that arise from use of said Copy.

Disclaimer

The artwork, designs, and trademarks displayed on the products within are representative of the capabilities and quality of imprinted products available. Product illustrations in this catalog do not imply any endorsement by the companies whose names appear on them and are used for product and decoration examples only.

GENERAL PRODUCT ORDERING

Purchase Orders must include:

- 1) Quantity
- 2) Item Number
- 3) Cover Selection
- 4) Art or Ad Copy
- 5) Requested Ship Date
- 6) Ship-to Address, Method, Account Number
- 7) Imprint Foil Color
- 8) Imprint Position (see below)

Specify Imprint Position

Prices include stamping customer’s artwork in a single position on outside front cover. Please indicate imprint positioning as designated by letter or provide a layout showing imprint position on cover. If no position is indicated, we’ll use our best judgment (usually A depending on the imprint art).

Back

Digital Art Speeds Production

Digital vector art is recommended for best results. A printout of the file must be included for reference.

Quick Return of Proofs

An e-mailed digital proof of cover imprint will be provided. Factory requires proofs to be signed and returned or faxed back within 24 hours from receipt to maintain standard production schedule. See Proofs section for full details. Please provide a current e-mail address with your order.

VALUELINE & CASEBOUND PRODUCT ORDERING

5-Day Service From Proof Approval

All ValueLine & CaseBound products are available to ship within 3-5 business days from proof and credit approval. Please call to confirm receipt of purchase order and all artwork. Factory not responsible for orders not confirmed or received. Some orders can ship in 24-48 hours from receipt of purchase order and vector art (under conditions of credit approval; no art proofs), see requirements on next page.

General Info, Terms & Conditions

Imprint Options

Wire- and perfect-bound ValueLine items are available with a 1-color imprint (black, white, silver, or gold). CaseBound items are available with a standard blind deboss imprint.

Pen Imprint

For pen imprints, add 3 additional business days to the standard production time. Your choice of matte gold, matte silver, black, or white ink imprint is available; \$55 G setup. plus run charge.

Setup

There is a 1-time setup charge of \$60.00 G on all ValueLine and CaseBound items. Imprint area is limited to 4 x 3.5 on some items, no more than 16" sq. on others. Contact factory for templates and/or guidance.

Art Requirements

Digital vector art must be supplied for ValueLine and CaseBound orders. If vector artwork is not supplied, the order cannot be processed for 3-5-business day service.

Shipping

Orders will be shipped via regular ground service unless otherwise specified on PO. NEW: 3rd-party shipping will incur a fee of \$8 G.

ValueLine/CaseBound Requirements

Order MUST BE received by 1pm EST or will be considered "received" the following business day.

Order CANNOT BE PROCESSED until all elements are received. This includes complete purchase order, hard copy of art, vector file placed and saved to correct size, and upon credit approval.

MUST PROVIDE USABLE VECTOR ART. E-mailed art must follow our art department requirements. If vector artwork is not supplied, the order cannot be processed. Factory is not responsible for art not received or file/transfer problems. It is the customer's responsibility to make sure that art arrives and is usable.

Imprint position must be specified on purchase order or artwork. If proof is required add approximately 2 working days to final ship date. All setup charges do apply (see information above for price).

SureShip 24-HOUR SERVICE

Many ValueLine & CaseBound items can ship in one business day from receipt of purchase order and factory-approved art, with a \$50 G surcharge. Orders must be received by 1pm EST (with credit approval) and will not receive a proof. Orders received after 1pm will ship within two business days. This service is limited to ClearValue, SlimLine, ValueBook, BrightNotes, ValueColor, MeetingBook, PerfectValue, and CaseBound books with a blind deboss imprint only. Any additions (i.e.: TriPacs, Tip-Ins, GraphicWraps, pen imprints, Packaging, etc.) will require a proof and additional production time.

Purchase order and vector art must be emailed to: sureship@journalbooks.com with the subject line reading:

24-HOUR SURESHIP PO # _____

Limitations

No proofing and no less-than-minimum quantities on SureShip orders. End-column maximum quantities for 24-hour shipping. Larger orders may require additional production time. Factory reserves the right to refuse any order. SureShip orders will require a \$50 G surcharge.

TERMS & CONDITIONS

General Terms & Conditions

JournalBooks® and Timeplanner® Calendars, Inc. ("factory") reserves the right to withdraw any item and to change services, decoration methods, or prices without prior notice.

CaseBound Tariffs

Due to the current tariffs on imported items, prices on our imported CaseBound journals are subject to change throughout the year. JournalBooks reserves the right to change pricing or discontinue products or color selections without prior notice. For the most up-to-date collections and pricing, please visit www.journalbooks.com or contact factory. We apologize for any inconvenience this may cause.

Acceptance of Order

All orders are subject to acceptance by the factory, which reserves the right to refuse any order. All orders subject to credit approval and acceptance. A pre-payment amount or other security deposit or both may be required based on the cost and size of the order.

Production Ready

An order is considered "production ready" when all elements required by the factory to produce and ship your order are received. Incomplete orders (i.e., orders awaiting imprint copy, artwork, cover colors, final quantities, etc.) are held out of production until required items are received by the factory. After all information is received, your order will be processed in our normal production time unless otherwise specified.

Overruns and Underruns

Due to the custom nature of our products, overs and unders are normal and in accordance with printing trade customs. For journals or calendars requiring only cover imprints, a variance of 5% over or under the quantity ordered is to be expected. For orders requiring custom overprinting of filler pages, calendar pages, and for pictorial calendars, expect a variance of 5%-10%. Overs are more likely than unders. The factory strives to ship at least the quantity ordered. In order to do so, the factory must start production with sufficient additional materials to allow for spoilage losses (in printing, cutting, punching, binding, stamping, & packing). After inspection, if production has been reasonably efficient, there should be more good books than ordered. Orders that state "ship no overruns" are subject to underruns and accepted only with that understanding. In this case, factory will not go back to production to meet exact quantities.

Order Acknowledgments

An acknowledgment will be sent via e-mail when the order is factory ready. This will reflect costs of the products, options that have been selected, as well as estimated die and art charges. Please read the acknowledgment carefully to ensure that your instructions have been followed and that you are in agreement with the pricing. Factory requires you to sign and return the order acknowledgment within 24 hours to maintain your production schedule.

Cancellations

Orders will be subject to all production costs incurred to date (including materials and labor) and/or a cancellation charge of \$68.75 G.

NEW: Orders totalling \$5000 or more will incur a 20% cancellation fee. Blank CaseBound items can be returned, undamaged, for credit with a 20% restocking fee.

Standard Production Time

Most orders take 3, 5, or 7 working days after production-ready order or proof approval has been received. Your order will not be processed until ALL required art, proof approval, and missing information have been received. Additional time may be required for large quantities and more complex orders requiring customized dies, custom filler, screen printing, tabs, perforation, or multi-color imprinting. Please call the factory for estimated time on custom orders. Factory will state an estimated e-proof date and ship date on your order acknowledgment.

Features such as elastic band closures, ribbons, vinyl pockets, or business card pockets may require additional time due to special material ordering. Please call factory prior to ordering for inventory and production schedule.

Rush Service

Rush service is available for most journal products. Basic one-color foil-imprinted journals (falling outside SureShip, ValueLine, CaseBound, and Express categories) can be produced in 5-7 business days from proof approval. Upon approval, some products can be produced in 5 days or less, with a \$50 G rush fee. Failure to approve your paper proof within 24 hours WILL delay your production schedule. To minimize delays, please provide factory-ready art that does not need a proof for the 5-day rush service. For 5-day service, order must be received by 1pm EST for the current day to count. Foil matching, custom filler, multiple color imprints, ColorDirect, die-cutting, tabbed and/or perforated inserts, and screen printing are not included in this service. Other products may be rushed; however, rush fees will differ and will be based on the factory's ability to produce in the allotted time frame and within the current production schedule. Please call the factory with your special needs. We will work with you to do whatever we can to accommodate your needs and meet your event date.

MAKE A POSITIVE GLOBAL IMPACT

ALWAYS BE POSITIVE!
TRIPS DOWN THE STAIRS
WHEW, I GOT DOWN
THOSE STAIRS FAST

Our dedication to environmental stewardship is a long-standing pillar of our corporate culture. It is a commitment we make to our customers, to our employees, to our community, and to our world. We've taken a major step in doing our part to help the responsible management of our forests when we earned a Chain of Custody Certification (BV-COC-080311) from the Forest Stewardship Council® (FSC®). The FSC® is internationally recognized as the world's leading third-party-verified program dedicated to sustainable development and improvement principle to forest management.

JournalBooks offers a variety of recycled and eco-friendly journals that allow for conscientious journaling. All of our wire-, perfect-, and stitched books are made to order in the USA with paper sourced from sustainable forests. We offer 100% and 85% recycled cover materials, our wire binding is made of 97% recycled steel, and clients can choose to upgrade to 100% recycled EcoFiller paper. These reasonably priced options help to support company sustainability programs, reinforce an eco-friendly brand, or simply to take care of our planet.

Through a partnership with 1% For The Planet, one percent of eco-product sales are donated to environmental nonprofits. So you're helping the plant in more ways than one.

JournalBooks is an FSC®-certified factory (www.fsc.org). Most of our paperboard covers are recycled content papers mounted on 100% recycled paperboard. We offer upgraded 100% recycled filler paper for our made-to-order products. This catalog is printed on recycled, FSC®-certified paper.

The artwork, designs, and trademarks displayed on the products within this catalog are representative of the capabilities and quality of imprinted products available. They are not intended to represent endorsement by their owners, nor are they for sale by the factory. CoverSwatches

*As printed representations, these swatches may vary from actual colors, especially 100% recycled materials, as they are made from raw materials and may vary when new lots are received. For exact colors, please request a random sample or a set of cover swatches. When ordering, please specify both cover color and cover number, to ensure correct sample is sent.

How to read these Swatches:
